6 Minimum standards for keeping animals, local law s8

(1) For the purposes of section 10 of the local law, the following standards are the standards for the keeping of animals generally—

- a) all animals—
 - i. any land, enclosure or building in which an animal is kept must be maintained so as not to cause a public health risk as defined by the Public Health Act 2005; and
 - ii. any land adjoining a road and on which an animal is kept must be adequately fenced to the satisfaction of an authorised person so as to prevent animals escaping from the land onto the road
 - iii. an enclosure in which an animal is kept must be maintained to the satisfaction of an authorised person in a clean and sanitary condition, in good repair and appearance, and free from flies, rats, other vermin and nuisance odours; and
 - iv. an enclosure in which an animal is kept must be built and maintained in such a way as to prevent the animal from escaping; and
 - v. an enclosure must provide adequate space in the opinion of the authorised person for any animal to be kept therein; and
 - vi. the keeper of the animal must thoroughly clean the enclosure every day of faeces, uneaten food and any offensive matter produced by any animals kept on the premises. Such faeces, uneaten food and other offensive matter must be stored in a water-proof receptacle that prevents access to flies and vermin and does not allow the emission of nuisance odours; and
 - vii. all receptacles, used for the storage of faeces, uneaten food and any offensive matter produced by any animals, are to be covered at all times and their contents must be removed at least weekly or more often if directed by an authorised person and then disposed of in such a manner so as not to be a nuisance or injurious or prejudicial to health; and
 - viii. the keeper of an animal must provide and maintain impervious rat-proof receptacles and other impervious rat-proof storeroom facilities for the storage of feed to the satisfaction of the authorised person; and
 - ix. the keeper of an animal must provide the animal with and ensure the animal has access to adequate shelter from sun, wind and rain to the satisfaction of an authorised person; and
 - x. the keeper of an animal must provide the animal with, in the opinion of an authorised person, an appropriate quantity and quality of food and an appropriate quantity of clean drinking water to maintain an animal in good health; and
 - xi. an enclosure in which an animal is kept must be effectively treated with insecticide at least twice a year to the satisfaction of an authorised person.

I have read and accepted the provisions of Council’s Animal Management Local Law No.2 2014 as outlined in this document and the information provided is true and correct.
